EASY TRANSPORT

# PATENTED GUIDE RING ENSURES UNIFORM CURBS

## EASILY SWITCH BETWEEN BADGER CURB MAKER DRUM PROFILES

Over the years, we have seen a growing demand from large and small operations for better options to place and finish curb on monolithic pours, patch and repair, and finish work behind a slipform machine. The patented Curb Maker offers a cost-effective solution that is easy to learn and provides consistent results with less reliance on an operator's skill level.

- ✓ Right Or Left Hand Speed Control
- ✓ One-Push Directional Change
- ✓ 3-position adjustable handle provides more comfortable offset
